# BEYOND CONTENT

The image features a solid red background. In the center, the words "BEYOND" and "CONTENT" are stacked vertically in a large, bold, white, sans-serif font. Below the text, there is a complex, white network of interconnected lines and nodes, resembling a data visualization or a complex web structure. The network is dense and extends across the width of the image, with some lines appearing thicker than others. The overall aesthetic is modern and technological.
